Coverage	200+ countries, regions, and global income groupings
Time Period	Annual data starting from **1960 to the most recent year**

Data Structure

The zip archive typically extracts into three CSV files:

Data File (API_NY.GDP.MKTP.CD...csv): The primary table containing country names, country codes, indicator metadata, and annual GDP figures listed in separate columns for each year.

Metadata Countries (Metadata_Country...csv): Provides regional classifications, income group categories (e.g., High income, Lower middle income), and special economic notes for each country.

Metadata Indicators (Metadata_Indicator...csv): Contains the official definition and sources of the GDP metric.
